

MAGIC SPELLS

DRACO MALFOY
DRAFTED ONTO THE
BACK BAY LEGENDS

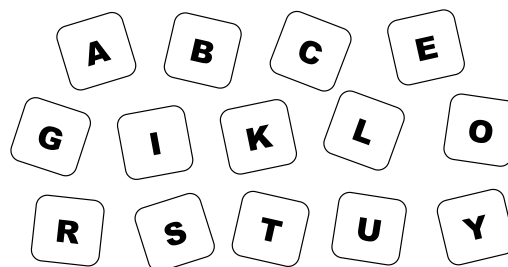

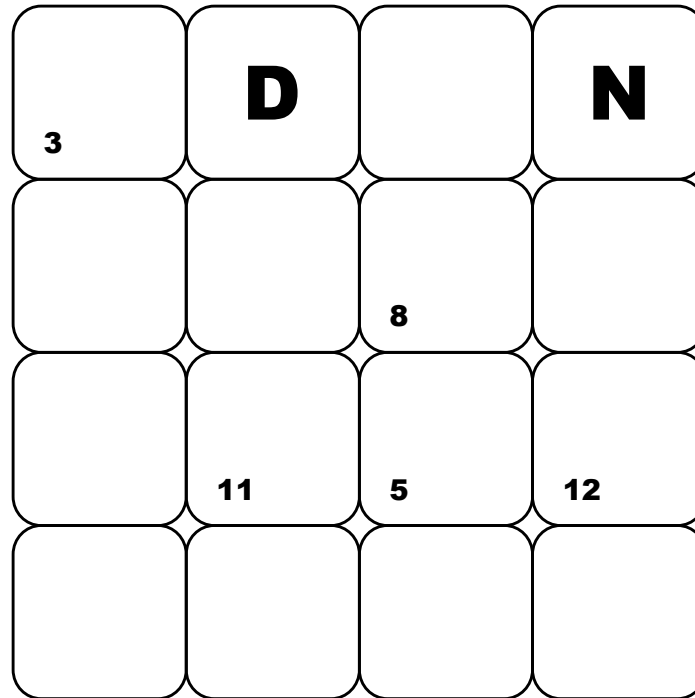

Draco Malfoy always had a knack for shaking up his opponent in a Wizard's Duel. His mind-boggling sorcery involved spelling multiple incantations together instead of saying them independently.

A grid of 15 rounded rectangular boxes arranged in four rows. The first three rows each contain four boxes, and the fourth row contains three boxes. All boxes are empty and intended for writing spells.
